

Come be a part of it!

Learning new outdoor skills, meeting people with similar interests and spending time with family and friends are what the Women in the Outdoors program is all about.

Women are discovering that hobbies such as camping, hiking, fishing, kayaking, hunting, shooting, and birdwatching are fun ways to reconnect with the special people in their lives. At daylong events held throughout the United States and Canada, women receive expert instruction and a chance to try a variety of outdoor activities thanks to the National Wild Turkey Federation and its partners.

If you've never attended a Women in the Outdoors event, you're in for a real treat! Come prepared for a fun time, in a relaxed, non-competitive environment.
